

## **Swimming 2017-2018**

### **End of year summary:**

Year 6 results:

51/54 children achieved the mandatory requirement of 25 metres or above, use a range of different strokes and perform safe self-rescue in different water based situations. = **94%**

### **Next year targets:**

90% + to achieve the 25 metres or above, use a range of different strokes and perform safe self-rescue in different water based situations.

To achieve this we will have a focus group so selected children will swim twice a week. Swimming pool will be opened up in the Autumn 1 Term for assessment purposes in preparation for Summer 1.
